

PROFILE

Sex: male

Date of birth: 2006/02/01

Nationality: Bulgarian

I am an illustrator and animator from Plovdiv, Bulgaria, inspired by Japanese art, anime, and visual storytelling. My passion for Japanese animation began with its emotional depth and cinematic movement, evolving into a lifelong dedication to creating compelling stories through art.

My work bridges Eastern and Western aesthetics, combining expressive characters, atmospheric color, and dynamic composition. Through illustration and animation, I strive to create stories that transcend language and connect with people through emotion and imagination.

Art is my language. Animation is my heartbeat. Japan is my dream.
